

HAWKS NATION FOOTBALL: PLAYER & PARENT/GUARDIAN CODE OF CONDUCT

The Standard: Heart, Hustle, and Muscle

At Hawks Nation, we do not just play football; we handle business. Our culture is defined by our commitment to three pillars:

- **Heart:** Total commitment to the organization and the pride of the Hawks jersey.
 - **Hustle:** A relentless work ethic that ensures we never take a play off.
 - **Muscle:** Elite physical and technical preparation to ensure we dominate every rep.
-

I. Player Code of Conduct

As a member of **Hawks Mafia**, you are an ambassador for our organization. You are expected to always adhere to our Core Values:

1. **Discipline & Professionalism:** We show up on time, fully prepared, and ready to outwork the competition. "Messing around" at tournaments or practices is not permitted.
 2. **Respect the Game:** We honor our teammates, opponents, and officials. We play with class, but we play to win.
 3. **Accountability:** Take ownership of your performance and your growth. No excuses—only results.
 4. **Integrity:** Do what is right even when no one is watching. Your character off the field determines your opportunity on it.
 5. **The "Work" Mentality:** When we step on the field, we work. Every practice and tournament is an evaluation of your potential.
-

II. Parent & Guardian Code of Conduct

We view our families as critical partners in our business-first approach. To maintain the professional environment our athletes need to succeed, parents agree to the following:

- **Sideline Professionalism:** Support the team with positivity. Negative comments directed at officials, coaches, or opposing players undermine our "Business Standard" and will not be tolerated.
- **Respect the "Chain of Command":** Allow the coaches to coach. Instruction during games and practices must come solely from the Hawks Nation staff.

- **Handling Business:** Ensure all administrative requirements—including **Zorts registration, EL2/EL3 forms, and player fees**—are handled promptly.
 - **Representation:** Understand that your conduct reflects the **Hawks Nation** brand. We aspire to be a premier development program in Florida, and our families must lead by example.
-

III. Accountability & Disciplinary Action

Hawks Nation Football reserves the right to maintain its standards of excellence at its sole discretion.

- **First Violation:** A formal meeting between the Coaches and the family to address the deviation from our Core Values.
 - **Subsequent Violations:** May result in reduced playing time, suspension from tournament play, or permanent removal from the organization without a refund of player fees.
-

IV. Agreement & Sign-Off

By signing below, I acknowledge that I have read, understood, and agreed to the **Hawks Nation Football Code of Conduct**. I commit to the values of Integrity, Discipline, Respect, Accountability, and Leadership.
